ODW Report on Snow Sculpture for a Cause 2020
RAIN and The Water Trust
Project Update January 2020

\$63,642.13

raised for clean water &
sanitation in Niger & Uganda

RAIN FOR THE SAHEL AND SAHARA IN NIGER

RAIN, like many of ODW's partners, had to pivot to serve their communities immediate needs of hygiene around COVID-19. This delayed their original project goals which will be underway soon.

260 people educated on safe water

2,781 people received health & hygiene training

6 handwashing stations established

167 middle school students impacted by stations

3,147

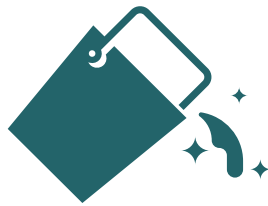

total people directly impacted*

A well and garden site have been established and will be completed in 2021. This will further increase the people impacted in this project.

THE WATER TRUST IN UGANDA

We've just received the final update from The Water Trust in Uganda. They have completed construction on all 5 water wells. This enables many people in 5 different communities to receive clean, healthy water.

2 borehole wells installed

3 shallow wells replaced

12 People trained in well management

1,745

people now have access to clean water

THE BARTZ
BROTHERS
AND THEIR
COMMUNITY:

YOU MADE
THIS
POSSIBLE.

We are so grateful for your partnership in helping to raise over \$60,000 towards the ODW matching portion of our grants for RAIN and The Water Trust.

While 2020 has presented challenges for gatherings, we've continued to see your impact as some of your donors have returned to give to us even without a sculpture. For that, we are so thankful!

Know that your partnership enables us to continue our mission towards a more just and beautiful world. For One Day, we envision a global community without poverty or inequities.

THANK YOU
